June 2010

## Congratulations Lee Cornelius Medalist in the Virginia Senior Olympics

Lee Cornelius from Temple Baptist Church participated in the Virginia Senior Olympics in May. She brought home 6 medals including 4 gold, 1 silver and 1 bronze. She bowls, runs 50 & 100 meters and does shot put, among other sports. Lee turned 82 years young on May 10<sup>th</sup>. Congratulations Lee for all your accomplishments!

*If you know someone in our network who has achieved something great and would like to share the good news, please let us know!*

## Agency Advisory Council Meeting Cancellation

Your Agency Advisory Council will not meet in June due to all the activity at the Foodbank. You are invited to the next meeting on Tuesday, July 13, 2010 at 6pm at the Foodbank.

## Turkeys in August

The Foodbank is ordering turkeys in preparation for the holiday season. Turkeys will be in the 15 pound range and will cost \$.85 per pound (average cost per bird will be \$12.75). This is the only cost associated with the turkeys. The Foodbank will be paying the shipping and other fees attached. The turkeys will arrive in August because the later we order, the cost increases. Plan now for your agency's holiday distributions.

## USDA News

All partner agencies that distribute USDA are required to attend a general meeting this month to receive the new SDI (Self-Declaration of Income) and sign a new addendum. You may attend on Tuesday, June 15<sup>th</sup> at 10am. The meetings are held in the Happy Café at the Foodbank. Please call Donna (757-314-4566) or Terry (757-314-4565) to RSVP.

## A Fond Farewell to Daycare Providers

Daycare Providers registered with the Planning Council and Places and Programs will no longer be able to access the Foodbank after June 30, 2010. This is due to IRS regulations and the structure of the program. The Foodbank of Southeastern Virginia wishes to thank all the providers for the care they give to children in our community. We want to extend a special thanks to Marie McFadden for her dedication to the program and the years she has volunteered at the Foodbank. Since 1999, Marie conducted orientation for new providers two Saturdays every month. She has also conducted the Annual General Meeting in conjunction with Foodbank staff, Debbie Moore from Places and Programs, and representatives from the Planning Council. Marie has been very active with the State Childcare Association for several years and the Professional Family Child-Care and Early Education Association.

The Foodbank bids all Daycare Providers registered with the Planning Council and Places and Programs a very fond farewell.

## Changes at the Foodbank...

**June is the beginning of a very busy and exciting time at the Foodbank.** Several changes will affect our service to you and we ask for your cooperation (and patience) to make the transitions as smooth as possible. Overall, these changes are going to make us more efficient as an organization and represent exciting progress for our mission of feeding the hungry. The Foodbank staff will do our very best to make sure any inconveniences are kept to a minimum as we implement a new computer system with all new software and undergo major construction projects.

**The Foodbank will be closed for distribution and ordering June 1<sup>st</sup> through the 5<sup>th</sup>.** Staff members will be completing a total inventory and the computer conversion during this period. Please note the Saturday distributions have been moved to the 12<sup>th</sup> and 26<sup>th</sup>.

Every partner agency will receive a letter with a **new agency account number. Please use this new number beginning Monday, June 7<sup>th</sup>.** If you do not receive a letter at the mailing address you provided for your agency, please contact Donna Kelly at 757.314.4566.

**Construction on the Foodbank roof** will start around June 14th. This is obviously a major undertaking and will require flexibility from everyone. The logistics will change as necessary for parking and distribution. The Foodbank staff will be working to accommodate all of our programs and services to our partner agencies and the community.

Also during this time, an upgrade on the sewer lines will be taking place by the City of Norfolk. Tabb Street will not be accessible during this repair. This project may have started by the time you receive this newsletter and is expected to be completed in 2 to 3 weeks. Unfortunately, the Foodbank has no control over the scheduling of this project, but we will do everything we can to ensure smooth operations during this time.

### End of the Year Sale

**Shared Maintenance Fees will be slashed 50% to \$.09 per pound from June 7<sup>th</sup> through June 30<sup>th</sup> for all partner agencies and daycare providers. This discount does not apply to the "Purchased" product, which is available for the usual cost.**

# June 2010
